

The Director of Central Intelligence

Washington, D. C. 20505

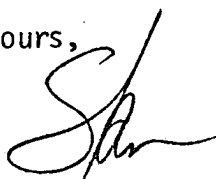

18 October 1978

Dear Tom,

I read your memo on "future plans" with mixed emotions. I am, of course, just delighted that you have been offered what I'm sure will be a stimulating and responsible position. At the same time, we will miss having the benefit of your expertise and keen intellect. Your work with us over the past few months has been immensely helpful.

You have my very best wishes for success in your new endeavors.

Yours,

STANSFIELD TURNER
